ABI Import / Export Program

US Customs and Border Protection Continuous Bond Number: 9913AQ101

ABI offers seamless global trade and logistics solutions, whether you are shipping from Shanghai to Los Angeles or from Chicago to Toronto. ABI is your single source for International Ocean and Air Freight Forwarding, customs brokerage, purchase order management and a wide variety of distribution options. By air, ocean or land – ABI is your connection to international freight forwarding and multimodal distribution solutions.

In conjunction with both Worldwide Express and FedEx, ABI puts all the pieces together with a global network built on freight forwarding expertise and localized service delivery. Our network in many regions helps ensure ABI reliability, visibility and hands-on support – connecting your business, your suppliers and your customers in the most efficient way possible.

ABI also offers a variety of specialized options to complement your global shipping, including Hazardous Material import / export management, Importer of Record and Customs Clearance documentation.
